

Bannock Brae Estate is situated next to Lake Dunstan in Central Otago, New Zealand. This unique region is the only grape growing area in the country that enjoys a continental climate, all other regions being maritime. Hot summer days followed by cool nights ensure optimal conditions for full flavour and complex colour development. This wine is produced from specially selected barrels from our 2001 vintage, exhibiting particularly full luscious berry fruit flavours, hints of licorice and spice, married to subtle oak.

GOVERNMENT WARNING (1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems.

Contains sulfites.
