

Limited in production by our 10 acre size, Peninsula Estate has been dedicated to crafting fine wine since our inception in 1985. Planted over a sun-drenched headland at Oneroa Bay, Waiheke Island, and overlooking Zeno Rock, in the waters of the Hauraki Gulf, the vineyard includes Syrah grapes, the best of which are hand selected for this limited release wine. Peninsula's free draining clay soils, combined with a warm-temperate climate, and dry ripening season, lends itself perfectly to growing this Rhone variety. After hand picking, primary fermentation, and gentle basket pressing, the wine is encased in new and one year old French Oak Barriques for 12 months before being estate bottled and cellared.
