pH 3.25
4000 cases produced
Cellar potential of 2 years

FERMENTATION:

In stainless steel tanks with refrigeration
3 months lees aging before bottling

TASTING NOTES:

A style reminiscent of our gold medal winning '99 Sauvignon Blanc, and using grapes selected only from the Rapaura region this excellent wine perpetuates a

winning tradition. A typical Marlborough Sauvignon that showcases tropical fruit aromas of pineapple, passionfruit and grapefruit with subtle herbaceous flavours. The dry, lingering palate springs to life with zingy and zestful characteristics synonymous with the Marlborough region.

SERVING SUGGESTIONS:

12°C-15°C. This wine is best enjoyed in its youth or will develop added complexity with time. Wine will pair nicely with seafood, grilled chicken or pork or vegetarian dishes or, simply, on its own
